Achieving More Together as God's Children

School News

Stone Age to Iron Age

On Monday 9th November, Year 3 had a special visit from John from Durham University. John spoke to us about our history topic 'Curious Cavemen'. We had a brilliant day looking at cavemen's tools and creating our own Iron Age coins.

Nature Walk

On Tuesday morning, our Year 4 children went on a nature walk. We really enjoyed ourselves, even though we were tired after walking over 5 miles! We even managed to spot a wild fox near the railway line!

Children in Need!

All the children had a great day celebrating Children in Need and dressing up as their favourite super heroes.....

You helped raise an amazing £125.50 buying biscuits and a further £159.80 in contributions. Thank you and well done!

Mr Dent was very brave completing his 'Bush Tucker Trial' and all the children were very excited watching him eat a whole host of jungle critters!

Star of the Week - 6th November 2015

- Reception - Connor
- Year 1 - Frances
- Year 2 - Chelsea
- Year 3 - Tom
- Year 4 - Lottie
- Year 5 - Ellie
- Year 6 - Chloe

Star of the Week - 13th November 2015

- Reception - Bridie-Leigh
- Year 1 - Alex
