

## Newsletter: 29th March 2019

*Achieving More Together as God's Children*

### Headteachers News:

Please could I ask that parents who bring their cars please be respectful of our neighbours when parking outside the school. Parking further from school would ensue the safety of our children as they leave.  
**Thank you for your co-operation.**

### School News:

#### Yr 5 Curiosity Conference

Yr 5 have been working with MakeBelieve Arts, a theatre and education charity, to prepare a performance in school in front of their parents, teachers and the rest of the school. What if dinosaurs were still the dominant species? Only 1 of the questions our children asked, showing their imagination and entertaining the school with their own ideas, thoughts and unanswerable questions. Our children produced inspiring and humorous curiosities, we are very proud of them!

#### Adam Bushnell visit

This week, we have welcomed the renowned author Adam Bushnell to our school. He has been working with all children across all classes from Nursery up to Year 6. Adam has used his special artefacts, visual aids and techniques to inspire our children to be amazing writers. Staff and children have all enjoyed our work with Adam and we hope he can visit us again sometime next year.

### Charity Easter Raffle

This year, we are holding a Charity Easter raffle where all proceeds will go to the charity **Bliss**, supporting families with babies who are born premature or sick in the UK, offering the best chance of survival and quality of life.

**Raffle tickets are on sale until 4th April with the raffle drawn on the afternoon of Friday 5th April.**

### Million Words

Well done to Eva, A-Jay Bell and Ethan last week who were awarded with book vouchers for their amazing achievement on reaching '1 Million Words' in our Accelerated Reader Scheme.
