Achieving More Together as God's Children

School News:

London

Year 5 had a truly amazing day at London last Tuesday! We saw some amazing sites on the way to the Curiosity Conference. All children behaved fantastically and were a credit to our school and you. Inside the conference, children met author Sam Grayton after they watched their class mates perform their curiosities (all were brilliant!). A fabulous day had by Staff and Children!

The Magician with a Message

The children enjoyed a performance from Steve Price The Magician last Friday. As well as performing a number of magic tricks and thoroughly entertaining the pupils and staff, Steve Price brought a Christian Message. The whole show was amazing. Thank you to Rev. David for organising the event.

Early Years:

This half term we have been looking out for signs of spring. The children have created lovely observational paintings of daffodils.

This week we have begun our Easter Celebrations. Thank you to everyone who came along to our stay and play sessions. The children had an egg-cellant time and well done to our easter egg competition winners.
