Achieving More Together as God's Children

School News:

The Big Pedal is the UK's largest inter-school cycling and scooting challenge which inspires pupils, staff and parents to choose two wheels for their journey to school. Powered by Sustrans and funded by the Bike Hub, the 2016 challenge will run from 18 to 29 April and is open to individual classes as well as whole schools.

We will be taking part for 10 days and on each day of the challenge, the schools in our area will compete to see who can record the greatest number of pupils, staff and parents cycling or scooting to school. A school's best five days will determine their final position, but they can log journeys on all ten days if they wish.

Our children were so amazing last year that we won the competition in our area and would love to do well again. The children will remember we were rewarded with an Extreme Mountain Bike Show as the prize for coming top. **Good luck kids!**

Well done Year 1

Year 1 achieved the highest attendance in March with 96.2%. Keep up the good work!

Early Years:

All our new starters have had a super first week in Nursery. We've been learning about 'Jack and the Beanstalk' by planting beans and listening to the story.
