Achieving More Together as God's Children

Headteacher's News:

Please could I ask that the parents who bring cars, be respectful of our neighbours when parking. Parking further from school would also ensure the children's safety as they leave.

Jubilee Fields Community Centre, Shildon have a vacancy for a part time play worker. Application forms available upon request by telephoning 01388 775425 or e-mailing jubileefields@btconnect.com

School News:

Zoolab visit Year 1

Zoolab visited Year 1 on Thursday afternoon. The children listened carefully to the Ranger, Rob, talk about the animals he had brought. We were so impressed by the questions asked by the children.

Year 5 Experience Day

The children in Year 5 visited Greenfield this week to participate in an Experience Day. They took part in PE sessions and experienced practical science, burning magnesium and watching for chemical reactions. The children thoroughly enjoyed it - behaviour was excellent as usual!

Tennis Champs!

Well done to the children from Year 3 who competed in the Tennis Tournament at Aycliffe Leisure Centre on Wednesday. The children came 3rd which means they qualify for the County Finals! Well done!

School Meals:

From September the price for a school meal will increase to £2. Please could we remind you that dinner monies need to be paid to the school office on a Monday morning. Thank you.

Early Years:

Music lessons are so much fun in Nursery. Trying new instruments and singing along to our favourite rhymes!

Joshua Halliday, one of our Year 6 children, will be climbing Mulhacen in Spain on 7th June. This is in aid of Cancer Research UK Kids & Teens. Mulhacen is 3478.6m high, equivalent to almost 3 Ben Nevis Mountains and will be a challenge for Joshua. If you would like to give a donation, visit: <https://www.justgiving.com/joshuasbigclimb>

Head lice: Once a week take a peek!

We have had a number of parents notify us that their child has head lice. To try to eradicate this, please could you check your child for head lice and treat accordingly. Studies show that one in five children will have head lice at any one time. Check out www.onceaweektakeapeek.co.uk
