Dear Parent / Carer / School

Holiday swimming programme - Summer 2022

Durham County Council are offering top up swimming lessons over the summer for children in school years 5, 6 and 7 who are unable to swim 25m. These children have been affected by the pandemic in that they have missed opportunities to access their school swimming lessons, and thus not meeting the national attainment target for swimming.

Eligible children (on free school meals) attend 5x45min lessons during the summer holidays at one of our leisure centres free of charge. Each child will be provided with a snack pack to take away with them after their lesson.

Top up lessons are funded by County Durham Sport, and the food element funded by the Fun & Food Programme.
